

*STEP BACK IN TIME
THIS SUMMER*

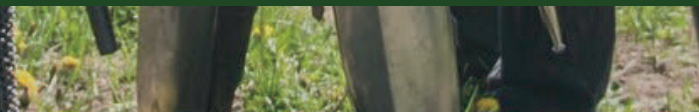

SUMMER SKIRMISH

The Military Museums Summer Skirmish showcases life and conflict from the Viking era to World War Two.

Re-enactments and demonstrations will include Viking and medieval era combat, jousting, 18th and 19th century black powder musket demonstrations, First and Second World War demonstrations, and vintage vehicle displays.

Kids can also try on uniforms, jump on a bouncy castle, see weapons on display, and handle tools from days gone by.
